

Fideli Certa Mercus Award

Faithfulness

Scholarships are awarded each year to outstanding, talented boys from around the world, but before we do a search for talented boys to strengthen the College in the Senior School, we wish to first recognise the boys and families who have been invested in the College from their earliest school days, attending our Pre-Primary, Junior Primary and Senior Primary Schools.

The Fideli Certa Mercus Award may be presented to boys who continue their studies from the Senior Primary School to the Senior School and demonstrate from a young age, the work ethic, talent and values required to consistently achieve excellence in at least one of the following areas:

Sport

The award is intended to continue the development of home-grown talented sportsmen who demonstrate the commitment and drive to excel in a specific area of the College in Sport. Applicants will be expected to consistently demonstrate capacity to maintain their composure under pressure and to make a contribution through effort and skill toward the success of the College's top sports teams.

Music

Boys who demonstrate performance excellence in Music through a mix of talent, hard work, and achievement in formal music examinations (minimum Grade 4) may be considered for this award. The College recognises those boys who excel and commit to building the musical legacy of the College.

Academics

Boys who achieve excellent results in the formal Academic Scholarship examinations may be considered for this award. The College seeks to recognise the ability and achievement of those boys who excel in both English and Mathematics and will drive academic excellence at the College.
